With your collective help, Mon Sheong Foundation can continue to provide excellent services to our three long-term care centres/Private Care (Centres) during these difficult and critical times. Your gifts provide our staff with the protection they need to safeguard our residents.

During these unprecedented times, Mon Sheong's priority remains in safeguarding our stakeholders, from our residents to their families, from volunteers to our Chinese School students and from staff to everyone in the Mon Sheong family, we are looking out for all of their health and safety.

Your contributions will go a long way in helping us maintain our ardent efforts and ensure a place that serves everyone from young to old. On behalf of the many seniors under our care, we thank you for your generous support.
